- Team player
- Eager to learn and teach
- Motivated
- Calm and thoughtful
- Creative
- Critical thinking, Analytic
- Problem-solving

LANGUAGES

- Dutch - English - French

ABOUT ME

As a technology enthusiast with over 10 years of professional experience, I've developed and integrated numerous tools and systems to create more efficient work environments, particularly enjoying work with Python and Data. My passion is rooted in turning innovative technologies into practical, productivity-boosting solutions. I thrive in dynamic team settings where professionals collaborate to explore, learn, and implement emerging technologies to solve real-world challenges.

WORK EXPERIENCE

Developer @ Home 2024

Developed tools I have a home-lab and develop a lot of tools in my free time [GIT, Docker, SQL, Python, DevOps, Linux]
